

## A gift that makes a difference.

Maybe this year, instead of receiving the traditional end of year teacher present, why not encourage your students and families to join you in helping others less fortunate. Teacher Presence gives you the option to redirect the money usually spent on a teacher gift into charities that need it most.

Teacher Presence makes it simple. Teachers get to choose one of the charities they would like to support and 100% of funds go directly to the charity.
